

AC HOTEL LIMA MIRAFLORES

When designing AC Hotels, we focused on the essentials of a beautiful stay and have created an experience unlike any other. Our breakfast found European inspiration. We replaced room service with the flexibility of a quick snack or evening tapas plates. Our bartenders are true urban spirits who will share the unique buzz of the city and all it has to offer. It's an experience that has been designed to give our guests the essentials.

AC Hotel Lima Miraflores enjoys an unbeatable location at Malecon de la Reserva, with a stunning ocean view in Miraflores. In summer, beautiful sunsets are part of the hotel's landscape, since they can be seen from the AC Lounge and Bar, most of the rooms and the rooftop. In addition, AC Hotel Lima Miraflores is located a few minutes' walk from popular attractions such as Kennedy Park, where travellers immerse themselves into the local culture, the Indigenous Market, where beautiful handcrafts can be bought and next to LarcoMar, an upscale shopping center with a vast variety of dining options, well-known brand stores and a Peruvian theatre with the best of the Peruvian artistic scene.
